

Student Placements

We recognize that the variety of work that goes into nursery makes it an ideal opportunity for young students on work placement.

In co-operation with educational providers we welcome students into our nursery on the following conditions:

- The needs of the children are paramount, students will not be admitted in numbers of which will hinder the essential work of the nursery
- Any information gained by the students about the child, their family or other staff must remain confidential
- Students will never be left unsupervised with children
- Students will be provided if necessary with protective clothing for certain activities
- Students must wear appropriate clothing, flat or low heeled shoes, jewellery kept to a minimum, smart clothing (no jeans)
- Students will be made aware of our policies and procedures
- Students will all complete an induction form
