

# **Admissions Policy**

It is our intention to make Blackwell Montessori Nursery Ltd accessible to children and families from all sections of the local community. In order to accomplish this we will:

- Ensure that the Nursery is widely known in all local communities. We will do this by advertising our provision in places where all sections of the community can see them, in more than one language if appropriate.
- Provide a waiting list and arrange it in a way that gives priority to siblings of children already attending nursery. All entries on the waiting list will be dated and places will be offered on first come first served basis.
- Keep one place vacant if possible for emergency admissions.
- Make our Equal opportunities Policy widely known.
- Welcome all carers – mothers, fathers and other relatives, people from all cultures, religions, ethnic origins and social groups, with or without disabilities.
- Be as flexible as possible about attendance patterns so as to accommodate the needs of the individual children & families.
- Consult parents to ensure the provision meets the changing needs of the community.
